

National Program Staff Selection Process

Our goal is to build a program that is recognized as the best in province. We have a reputation for excellence in our sport coupled with a strong sense of community, which fosters growth. Athletic activities are an important part of our youth's life experiences and this is reflected in our tradition of achievement in inter-provincial competition. We are seeking outstanding individuals including, coaches, and Trainers to be a part of Provincial National program for each of our teams, girls U16, boys U15, U17 and U19.

The Ticities Ball Hockey Association has earned a reputation for excellence - in the quality of its players and community leaders and in the long tradition of athletic achievement. We are currently seeking qualified candidates for the following contracts in preparation for the 2010 National Championships to be held in Waterloo, Ontario
